## WORK EXPERIENCE

### CREW MEMBER, MCDONALD'S – CHIRK,

2021 – 2022

- Collaborated with team members to achieve wait times of less than 5 minutes at peak time with high order accuracy
- Maintained cleanliness and organization of workstations, ensuring a safe and efficient environment for both team members and customers

## SKILLS

- **Unity**
- **C#**
- **Unreal Engine**
- **C++**
- **Python**
- Java
- Blender

## HOBBYS

- **Music:** I have been playing guitar for five years and perform in a band, where I collaborate with friends to create original music
- **Gaming:** I enjoy playing video games, especially titles like Destiny 2, Minecraft, and Titanfall 2, appreciating the gameplay mechanics and challenges they offer
- **Cooking:** I like experimenting in the kitchen and trying out new recipes
- **Dungeons & Dragons:** I occasionally play Dungeons & Dragons with friends, enjoying the strategic elements and teamwork involved
- **Running:** Engage in a weekly community-organized 5-kilometer event called Parkrun, where I also occasionally volunteer, in addition to dedicating personal running time during the week.

## VOLUNTEERING

### MUSIC SOCIETY TREASURER

2024 – Present

- Facilitated a society of 40+ members fostering collaboration and engagement.
- Coordinated weekly events, including rehearsals and performances, enhancing members' skills and showcasing talent
- Managed the society's finances, ensuring accurate budgeting and effective resource allocation

### YOUNG LEADER – CUBS SCOUTS

2018 – 2019

- Planned & ran Cub scout activities for an average of 32 7–11-year-olds improving their camping, teamworking & general life skills.
- Collaborated effectively with fellow leaders to implement programs, ensuring clear communication and cooperation.
- Built strong relationships with parents and community members to promote program participation and support.
